Hello, big boy.

I am an outline sheet from the Spring comp., 1964. I was made late at nite throughout the spring term and now he, that is, Ken, Vice-Chairman of the Yale Broadcasting Company, you know? the fat, ugly one with the glasses and the motorcycle and all? well, anyway, he says he's tired of making me and doesn't want to do it anymore and I'm disallusioned. If he won't make me noone will. So,please, don't touch me. don't touch me. I'll tell Ken: he's very jealous. handsoffhandsoffhandsoffhandsoffhandsoffhands
